

AP Simmer

Liquid Silicone Defoamer

ACTIVE INGREDIENTS:

Dimethylpolysiloxane.....	10%
Constituent ineffective as defoamer	90%

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

Causes eye irritation and mild skin irritation. May be harmful if swallowed.

PRECAUTIONARY STATEMENTS

Wear eye and/or face protection. Wash hands, face, and other affected areas thoroughly after handling. If eye or skin irritation occurs, seek medical attention. Disposal of contents and/or container must be in compliance with local, state, and federal laws and regulations.

FIRST AID

IF SWALLOWED: Call a POISON CENTER or doctor immediately for treatment advice if you feel unwell. Have the person rinse mouth and sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice.

IF ON SKIN: Call a POISON CENTER or doctor immediately for treatment advice if you feel unwell. Wash with plenty of water. If skin irritation occurs: Get medical advice.

IF ON CLOTHING: Take off contaminated clothing and wash it before reuse.

IF INHALED: Call a POISON CENTER or doctor immediately for treatment advice if you feel unwell. Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible.

GENERAL INFORMATION

AP Simmer is a liquid antifoam that contains 10% active silicone for the prevention of foam in fertilizer and pesticide spray applications. By providing distinctive insolubility, dispersibility, and spreadability properties, AP Simmer reduces pesticide spillage and tank mix fill time by effectively preventing foam formation. AP Simmer can be introduced through introduction systems or through the mix tank lid opening. AP Simmer will not interact with any of the chemicals to which it is applied.

Manufactured for:
Harvey's
P.O. Box 189
Kinston, N.C. 28502
252-523-9090

DIRECTIONS FOR USE

Use rates will vary depending on temperature, viscosity, agitation and composition of the spray mixture. Generally, add 1-2 ounces of AP SIMMER per 100 gallons of spray solution. For best results, AP SIMMER should be added to the tank mix prior to the addition of fertilizers or pesticides. If foaming develops during mixing, add AP SIMMER until desired foam control is obtained.

Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The pesticide manufacturer's label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label.

STORAGE AND DISPOSAL INFORMATION

STORAGE: Protect from freezing. Store product in original container only, away from other pesticides, fertilizers, food or feed. Keep this container closed when not in use and take care to prevent any water from being introduced to the contents of this container.

DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Triple rinse container and pour rinsate into spray tank. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrcycle.org. Dispose of contents/container in accordance with local/national regulations.

NOTICE OF WARRANTY: Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
