

AP Foliar Micros Plus

Guaranteed Analysis

Total Nitrogen (N)	5.0%
5.0% Urea nitrogen	
Sulfur (S)	2.0%
2.0% Combined sulfur	
Boron (B)	0.5%
0.5% Water soluble boron	
Manganese (Mn)	2.0%
2.0% Water soluble manganese	
Molybdenum (Mo)	0.05%
0.05% Water soluble molybdenum	
Zinc (Zn)	2.0%
2.0% Water soluble zinc	

Derived from urea, boric acid, manganese sulfate, sodium molybdate and zinc sulfate.

General Information

AP FOLIAR MICROS PLUS is specifically formulated for foliar delivery of boron, manganese, molybdenum and zinc.

Rate Recommendations

Field, Row, Vegetable and Vine Crops: Apply 1-2 quarts per acre per application throughout the growing season. More frequent applications at 1 pint per acre may be needed to correct deficiencies once they occur.

Optimum rate of application will vary depending on soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and general health. For best results, follow soil/tissue test recommendation.

Mixing and Handling Instructions

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition:

adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

ATTENTION: This product contains boron; use on any crops other than those recommended may result in serious injury to the crops. The application of fertilizing material containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

WARNING: Causes serious eye irritation. Suspected of damaging fertility or the unborn child. May cause damage to organs through prolonged or repeated exposure.

Precautionary Statements: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/clothing and eye/face protection. Do not breathe mist or vapor. Wash thoroughly after handling. **First Aid:** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If exposed or concerned, or if eye irritation persists, get medical attention. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Dispose of contents/container in accordance with local regulations.

Warranty: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.

Brandt Consolidated, Inc. exclusively manufactures AP Foliar Micros Plus for Harvey Fertilizer and Gas Company.

Net Contents: 2.5 gallons (9.46 liters)
Density: 10.6 lb/gal @ 68°F
Net Weight: 26.2 lb (11.8 kg)
Packaged: 2 x 2.5 gallons (2 x 9.46 liters)
